Custom Gift Guide

Giving the Gift of DaVero

Located in Healdsburg in the heart of Northern California wine country, DaVero Farms & Winery is a mission-driven family business producing world-class wines and highly acclaimed pantry products. We only sell farm-direct; our products are not available anywhere else.

Our farms are certified Biodynamic®, the highest form of regenerative farming, because it naturally sequesters carbon (our core mission) while making everything stronger year upon year. That mindset permeates everything we do, from what we grow to how we treat our people and support our local community, and fuels our commitment to share what we're learning with our peers to amplify our impact.

Helping you put together unique, distinctive, *memorable* gifts, regardless of price, brings us great joy. Because when you give gifts from DaVero, you are directly helping us achieve our mission — and utterly delighting the lucky recipients!

Every gift you order receives personal attention, including gift wrapping, a hand-written card, and thoughtful packaging so the “unboxing” experience is joyful.

In addition, with sufficient advance notice, we can provide gifts that beautifully represent your company, such as:

- Custom wooden presentation boxes
- Custom wine keys or Coravin system
- Special bottle labels
- Branded ribbons or tags
- (your idea here...)

A Gift That Keeps On Giving!

For the people you value most, we offer what is certainly our ultimate gift: club membership.

A Club DaVero membership delights the lucky recipient three times over the coming year with a diverse and delicious combination of our best products.

You have many options from which to choose: 6 bottles or a full case, consisting of what we call “full farm” (wine + pantry items); wine only; red wines only; or just our Reserve wines.

Regardless of your choice, you can be assured that your recipient will be fondly reminded of your generosity — not just when they open the shipment, but every time they open a bottle!

To explore this option, please reach out to Dee Allbritton, our Club Manager (clubs@davero.com, or 707-431-8000 x 2).

Or, choose your own adventure!

As you can see, your options are virtually endless! Let our years of experience help you find unique gifts that fit your brand *and* your budget.

Email Gifting@DaVero.com, or call 707-431-8000 x 1 and let us make it happen!
